

Fire Down Below

*We are amp-hugging, hard-hitting, fuzz-loving, ear-splitting, riff-worshipping rock 'n' rollers.
We are Fire Down Below.*

FFO: Kyuss, Truckfighters, Soundgarden, Tool, Fu Manchu, Red Fang

Belgium's stoner rock quartet **Fire Down Below** blends fuzzy desert riffs with 90's grunge and heavy psych to create a unique sound that couples stoner/doom heaviness with melody and powerful vocal performances.

BIO

Formed in Ghent, Belgium, in 2015, Fire Down Below first stepped into the spotlight with their self-released debut album *Viper Vixen Goddess Saint* in 2016. The album quickly garnered international praise and caught the attention of California-based label Ripple Music, home of some of the finest bands in the stoner/heavy rock genre such as Wo Fat and Mothership. Ripple Music have since re-released VVGS worldwide and released sophomore album *Hymn of the Cosmic Man*.

Since 2016 Fire Down Below has played shows across Europe, sharing stages and bills with bands like Fu Manchu, Sleep, Monster Magnet, Acid King, Naxatras and Stoned Jesus and securing festival slots at Desertfest Antwerp, Alcatraz Hard Rock and Metal Festival, Stonerfall, Roadkill Festival and many others.

Fire Down Below is:
